

After viewing the video clip, complete the following lists of tasks. When you have completed the task, put a checkmark in the box to show you are done. You will be given 1 piece of paper to use for your project. Make sure your project is neat, creative and that you use complete sentences.

Task	Done
On side 1 of your project paper:	
1. Design and illustrate (draw) a <u>new</u> scene for <i>Toy Story 2</i> .	
2. Include in your illustration:	
• title	
• the law of motion you are representing	
• a drawing of the <u>new</u> scene	
On side 2 of your project paper:	
Design a script for your new scene.	
Paragraph 1: Describe what is happening in the scene.	
Paragraph 2: Explain how this scene represents the law of motion <b>AND</b> <i>justify</i> where this scene would go into the movie.	
Paragraph 3: Explain how the following concepts are involved in the scene:	
• inertia	
• speed	
• acceleration	
• gravity/weight
